# ATTRACTIONS

HiLand Hill PRESENTED BY

### THE NERVELESS NOCKS "PIRATES OF THE SKY"

Shiver me timbers! This Hollywood stunt spectacular features breathtaking aerial acrobatics, high-wire thrills and towering, swaying mast action. This is the most exciting band of pirates "Arrr-kansas" has ever seen.

**THE MUSEUM OF DISCOVERY SHOW** Arkansas' own science and technology center presents a dazzling array of larger-than-life experiments that are unusual, unexpected and downright mind-blowing. These folks are on a mission to make science "cool" and they're succeeding!

**WILDLIFE WENDY & HER TROPICAL BIRDS** Wendy and her precocious parrots put on an entertaining show that mixes fun with fact, bringing awareness and appreciation of these intelligent creatures. The fast-paced act includes clever tricks, mimicking and free-flight demonstrations.

**THE MOOGICIAN** If you're a fan of magic, comedy, juggling or music, you'll love this family-friendly act. The Moogician developed his entire show while living on a dairy farm. He keeps crowds "udderly" entertained with all of his dairy-related material. Careful, though, he's been known to "milk" the applause.

**THE EXOTIC ANIMAL PETTING ZOO** is an educational, "hands-on" experience for children and adults and is located in the Electric Cooperatives of Arkansas' Family Land. The attraction features exotic animals from around the world and pony rides for the children.

**BARTON ROCK AND ROLL MUSEUM** Relive some of Barton Coliseum's most famous Rock concerts. Located inside the northeast concourse of Barton Coliseum, the Rock and Roll Museum features concert memorabilia from 25 classic Rock bands that played here.
