Free Backpacks and school supplies for children in grades Pre K-12 • While Supplies Last

Vendors, Pre Register Today!

The goal of the Ready-Set Back 2 School Health & Wellness Fair is to increase public awareness about the importance of consistent monthly child support payments, as well as connect families and children with local community resources targeting health, education, and wellness, with a focus on the wellbeing of children. When received on a consistent basis, child support can be a reliable source of income which creates a better life for children.

Health & Wellness Fair

Hosted by the Kern County Department of Child Support Services

Backpack & School Supply Drive

Would your organization or business like to host a Backpack & School Supply Drive to contribute to Ready-Set Back 2 School 2017?

It's easy, encourage or challenge your co-workers to bring in school supplies or make donations towards school supplies. You can have contests to bring in a specific amount of supplies, or plan fun activities to raise money for supplies.

IDEAS FOR ACTIVITIES:

Bake Sale

This is great if you have awesome bakers in your group willing to contribute.

Book & DVD Sale

Great opportunity to spring clean, people donate used items to sell.

Ice Cream Social

Who doesn't like ice cream? Buy a large tub, sell per scoop and add toppings.

Pizza Lunch Sale

Buy whole pizzas, sell two slices of pizza plus a drink, and you've got a pizza lunch.

Silent Auction

Another opportunity to spring clean, people donate gently used or new items to bid on.

If you would like more information, or would like to arrange for pickup of donations, please contact Tracy Salerno at 661-868-2912 or tsalerno@co.kern.ca.us. All donations are tax deductible, checks are accepted and should be written out to KCBA-CF (Kern County Bar Association Charitable Foundation).

All donations will be publically acknowledged, please see attached Donation Recognition document for levels of sponsorship.
