Medieval Times Dinner & Tournament brings history to life with a two-hour medieval tournament and four-course feast. The 70,000 square foot castle is located on seven acres in the heart of Buena Park's Entertainment Zone. Offering shows 365 days a year, the European-style castle features a soaring tower, elaborately decorated Hall of Arms, the Knight Club, outdoor courtyard, extensive gift shop, Museum of Torture and an indoor stable area where guests can view some of the castle's horses as they prepare for each evening's show.
