## Central Wisconsin State Fair

Hello and welcome to the Central Wisconsin State Fair! What a wonderful time of the year it is. As we start to slow down and thoughts of next year's fair is already entering our heads, all of us here at Central Wisconsin

State Fair have gone through a changing of the seasons as well. I am very proud to say that after being here 90 days, this is my first Central Wisconsin State Fair as it's Executive Director. I have attended many times as a fair goer and always walked away with great admiration with this fair's strong agricultural background, that blends in and builds on the tradition and history of Marshfield, Wood County, and all of central Wisconsin.

This year's fair was designed with the intention of reinforcing those traditions and starting to build new ones. As you attend this year's fair, we invite you to experience everything we have

to offer. There will be great exhibits in every department. Our junior exhibitors, as well as our open exhibitors, have been working hard all year for this year's fair. Stop by and say hi; everyone likes to visit and talk about their projects. On the midway we have assembled some great entertainment! Have a seat and enjoy any of the acts. You won't be disappointed. And talking about tradition, check out the fantastic Grand Stand shows on our brand-new Russell Wenzel Family Stage! Thank you to the Wenzel family for this great addition to the Central Wisconsin State Fair!

We would also like to shout out a big thank you to all of our sponsors, past and present, for everything you do. We couldn't do this without you! Finally, a big thank you to all that have helped out and extended a warm welcome to me and my family. You've been great!

Enjoy the fair and thanks for attending!

# FAIREST OF THE FAIR 2016

Welcome to the Central Wisconsin State Fair! My name is Sierra Huser, your 2016 Fairest of the Fair. I am currently a junior at the University of Wisconsin-River Falls majoring in Dairy Science.

I have been a member of the Snyder 4-H Club for 15 years and exhibited several projects ranging from food preservation to knotting and my favorite, the dairy project. Here I learned a variety of skills that I will take with me in life and hope to teach my future children.

I decided to run for Fairest of the Fair because I wanted to be even more involved with the fair and to improve my speaking and public relations skills, and I have not been disappointed. There are so many events that the fair has to offer that it was hard to squeeze them all into my busy schedule! From passing out ribbons in several animal shows, the round barn re-dedication ceremony, to my favorite, introducing the many amazing grandstand acts.

Like Alysha has said, there are so many things to do at the fair! One of my favorite parts is the dairy show! The kids work hard to get their animals ready for the fair, and

it is awesome to see all their hard work pay off in the ring! And of course the open class dairy show, one of the largest open dairy shows in the state! With the quality of animals that walk through the ring, it is an honor to be out in the ring!

I am sad that my reign is over but I am so excited and confident in Alysha that she will do an amazing job with her reign!

Here's to another amazing fair!

# FAIREST OF THE FAIR 2017

Hi, my name is Alysha Bauer, I am the 2017 Fairest of the Fair. I would like to invite all to the 2017 edition of the Central Wisconsin State Fair! The fair is an amazing time and fun for all ages! With activities such as rides, games, food and animals, there literally is something for everyone!

The fair has been a part of my life for as long as I can remember. When I started going, my family would just go for the rides. Then in 2013, I showed my first cow in the junior dairy show, and have loved it ever

since. I encourage you to come and stop in by my animals in the round barn with the Marshfield Area Girl Scouts!

Also, I will be announcing the grandstand acts like Sammy Kershaw, Aaron Tippin, and Collin Raye on Wednesday night, Blackhawk on Thursday night and Eddie Money on Friday night! Later in the week, there will also be a demo derby. Stop in during the weekend to watch some high quality animals show in the open beef, dairy, draft horse and llama shows!

It is also amazing to watch and take part in the livestock shows! Working with the animals all summer and showing them in the ring is always an awesome experience! Walking though the junior fair building is always a joy too. Seeing all the work that the 4-Hers, FFA members and scouts put together is amazing!

I hope you let the fair be a part of your life just like I did!

See you at the fair!

Alysha Bauer

# Steve Russell

comedy with a catch!

Steve Russell specializes in the unusual, the different – the “extra” ordinary. In this slightly off-center variety show, you get all of the laughs of a stand-up comedian with the added bonus of disappearing bananas, impaled potatoes and adeptly tossed luncheon meat. A little odd? Yes. Entertaining? Of Course! But it’s all in a day’s work.

Find out what the Disney Corporation, Ringling Bros. Barnum and Bailey Circus, Lincoln Center, and *The Tonight Show* already know.

Wisconsin dairy farmers, cheesemakers and their families have historically been the foundation for the continuity and success of Nasonville Dairy since 1885.

The Heiman family followed that family tradition when, in 1965, Arnie and Rena Mae and their sons, Ken, Kelvin and Kim, began making cheese for the Dairy.

Three generations of the Heiman family continue their commitment to the art of cheesemaking... a blend of nature, science, artistry and tradition to make Nasonville's delicious and nutritious cheese products.
