

OFFICE OF THE GOVERNOR

California Agricultural Fair Season

Welcome to the 2016 season of California's agricultural fairs.

The fairs and your exhibits offer an important link to the agricultural community and the California farmers and ranchers who are part of this tradition. Each fair showcases unique aspects of California and its diverse heritage.

Californians learn about the resources California provides the world -- including livestock, crops, artwork, baked goods, and crafts -- through your exhibits and expertise. The vibrant culture of our state comes fully into view from the exhibits you provide.

Thank you for your participation and for playing a vital role in the agricultural community and the network of fairs.

Sincerely,

EDMUND G. BROWN JR.
