Gourmet Barbeque Sauce

Ingredients

Tomato sauce  
Tomato paste  
Soy Sauce  
Mustard  
Lemon Juice  
Brown Sugar  
Spices

Rodney uses his old family recipe and adds his own style to it. Rodney considers his family to be his best critics. When he took his own barbeque sauce for them to taste, they exclaimed, "it's not what we made, but it sure is better!" By giving away the recipe, we would be giving away Rodney's special blend and a long, time family secret.

We will however provide you with the ingredients. You can play around with them just as Rodney did. Maybe, you, too will make one amazing barbeque sauce. Good luck!
