Thank you for showcasing the many facets of the great agricultural community of California.

California has some of the richest agricultural resources in the world and your exhibits play a vital role in presenting this to the public. Each fair has a unique, local agriculture flavor that brings people together to celebrate the tradition and innovation of our farmers and ranchers.

Thank you for your support of California fairs and for playing an important part of California's bountiful agricultural community.

Yours truly,

Karen Ross
Secretary
