Bloom: one individual flower (example: rose).

Spike: several flowers on a long stem (example: gladiolus).

Spray: single stem with terminal buds or flowers and two or more auxillary buds, flowers and foliage. (example: petunia).

Stem: main ascending part of plant, not over 18 inches (example: delphinium).

***Entries will be judged on uniformity of bloom size and color.**

HOW TO HARDEN OFF YOUR FLOWER EXHIBIT

If a flower is to remain fresh throughout the exhibit period, it should be cut no later than the day before it is to be exhibited. It is generally recognized that afternoon-especially cutting in late afternoon, when the greatest amount of sugar has ascended into the leaves and blooms - as well as a "hardening off" process will help insure a winning entry.

Flower stems should be cut cleanly at an angle with a sharp knife or pruning shears and plunged into deep, hot water: 110 degrees Fahrenheit is ideal. Plunging plants up to their necks in cool water works as well. It is a good practice to carry a bucket of water to the garden and to place each cut specimen in the water at once. Lightly crush the base of woody stems on plants such as lilacs to improve the intake of water. Some flowers, such as Dahlias, Euphorbias and Poppies, need to have the cut tips seared over an open flame.

Following cutting and water treatment, specimens should be placed in a cool, darkened room. After several hours, when the water has come to room temperature, add ice to the water and leave the flower material undisturbed overnight or place flowers in a refrigerator or cooler at a temperature between 38 and 40 degrees for six or more hours before they are to be shown. Flowers prepared in this way improve their substance and will hold their freshness longer.

For 2016 the Riverton Garden Club will host a "short time" question and answer session with the floriculture judge(s) following the completion of judging, Aug. 4.

DEPARTMENT 10**

Superintendent- Patti Griffith, Pavillion

Begin Arrival: 7 a.m., Thursday, July 28

In Place: Agri Center 7:00 p.m., Thursday, July 28

Release Wool: 9 a.m., Sunday, Aug., 7

Judging: 9:00 a.m., Saturday, July 30

PREMIUM TABLE #3

The Wool Show encourages improved wool production, stimulates interest and knowledge in the proper preparation of wool for market and informs the public on the versatile uses of wool as a high quality textile fiber.

1. **Entry deadline is Friday, July 8, 2016.** Youth Ex-

hibitors who wish to exhibit in the Open Wool Show must Pre-enter by the entry deadline.

2. Exhibitors will abide by all natural fiber and applicable policies governing the 2016 Fremont County Fair. Please use the Open Class Exhibits entry form in the back of this guide for all wool show entries.
3. Exhibitors may enter two (2) fleeces in any one class, and entries may be made in as many classes as desired. An individual fleece may be entered in one class only. Youth exhibitors may enter the Open Show, but must have different fleeces in each division.
4. After screening and judging, some fleeces may be removed, so that the higher placing fleeces can be properly displayed for public view during the fair.

ELIGIBILITY OF FLEECES: Each fleece must: (a) have been grown in Fremont County by a resident wool grower; (b) have been shorn in 2015 or 2016 (fleeces entered in the 2015 County Fair or State Fair, cannot be entered again); and (c) represent 12 months growth or less; yearling fleeces will be allowed 16 months growth (d) Wether fleeces are to be entered in the Ram Fleece class only.

CRITERION: Fleeces shall be faulted for: (a) not being tied with paper twine; (b) paints or tar brands (soluble branding fluids allowed); (c) excessive dung locks or tags; (d) moisture discoloration; (e) being cotted; (f) a break or weak staple; (g) excess burrs or vegetable matter. Fleeces showing black fiber will be disqualified.

PREPARATION OF FLEECES: Spread out the fleece on a clean table or floor, skin side down, taking care not to pull or open fleece as it is handled. Before rolling, remove all heavy tags, stained wool, and obvious foreign matter. Roll the fleece in four steps: (1) Begin at one side and loosely fold 8 to 10 inches of the edge toward the center of the fleece. (2) Do the same on the other side, but fold toward the center two times-until the twice folded portion lies on top of the first fold. (3) Fold in the head wool. (4) Roll from the breach toward the shoulder and long side wool. Fleece is now ready to be tied. Using paper fleece twine, wrap it in two directions and tie as you would a package. There should be no loose ends hanging from the fleece. It should be loose enough to make judging easy, yet compact enough to not fall apart when handled.

5. If a fleece is from a purebred sheep, write the breed and gender of the sheep on a 3x5 card and attach it to the entry tag.

General Guidelines:

DOMESTIC VIOLENCE AWARENESS CONTESTS: Dept. 13, Division 1307

Clothes Line Project

On an average nearly twenty people per minute are physically abused by an intimate partner in the United States. One in three women and one in four men have been victimized by some sort of physical violence by an intimate partner within their lifetime. One in five children have witnessed domestic violence within their homes. With a Fremont County population of 40,703, this means 6783 women and 5097 men will experience domestic violence sometime within their lifetime.

The "Clothes Line Project" contest was developed to educate fair guests about the impact of domestic violence. Participants in the contest can decorate tee shirts with a message about the impact of domestic violence from their perspective. It can be an individual message, a memorial message for a friend or family, or the effect on the community as a whole. The tee shirts will be then displayed on a clothesline at fair. (Shirts be submitted anonymously) \$75 Donated by The Victims Assistance programs in Fremont County will be awarded to the winner.

2. **AGE REQUIREMENTS:** To be eligible to exhibit animals at the Fremont County Fair, youth must be eight years of age, but not more than nineteen years of age as of January 1, 2016. Eligibility to exhibit breeding animals only, is extended to FFA members who are not more than 21 years of age as of January 1, 2016.

OWNERSHIP DATES AND TAGGING:

3. **ALL MARKET LIVESTOCK MUST HAVE BEEN TAGGED AT OFFICIAL FREMONT COUNTY TAGGINGS.** All 4-H and FFA advisors will be made aware of scheduled dates and locations annually. This is not the responsibility of leaders or advisors.
4. **OWNERSHIP:** All breeding beef, market beef and dairy animals must be owned by exhibitors by February 1, 2016. All sheep, swine, rabbits, poultry, dogs, and goats must be owned by June 1, 2016. The exhibitor must own the animal(s) they exhibit.

HOW TO ENTER THE FAIR:

5. Competition Guides and livestock entry forms are to be picked up from your FFA Advisor or 4-H Community Leader or enter online at fremontcountyfair.org.
6. **ALL LIVESTOCK ARE TO BE ENTERED ON AN OFFICIAL FAIR ENTRY BLANK. ENTRY BLANKS MUST BE SIGNED BY BOTH THE EXHIBITOR AND HIS/HER PARENT OR GUARDIAN.** If you are showing animals as part of your 4-H project and FFA project, be sure to use two entry blanks; one for your 4-H animals and one for your FFA animals.
7. Exhibitors may enter a maximum of 3 Market Lambs, 3 Market Hogs, 3 Market Goats, and 3 Market Beef. In breeding and feeder classes, each exhibitor may have

2 animals per class. Entry example: if you have three market animals in the same class, list the division, class code and description on your entry blank three (3) separate times.

ANIMAL EXHIBITS:

8. Exhibitors can enter an animal in only one youth class.

Exceptions:

- A. Cattle entered in the Commercial Cow Contest can also be entered in a Youth Breeding Beef Class.

Stall applications will be filled out by FFA Advisors and Community 4-H Leaders. Do not bring "companion animals" to fair, bring only animals that have been entered in fair. Space is limited.
Do not ask for extra stalls to house equipment! Equipment space will be designated by species superintendents. You must obtain your pen and location from the show superintendent when you arrive at fair!
 10. Only animals entered as feeder animals will show in the feeder classes. Animals tagged and entered as market animals that do not make minimum weight or exceed maximum weight requirements, will show in "under/over weight" class-es; not in feeder classes.

The stall charts are posted on the front of each barn. If you need assistance, check with your 4-H leader, FFA advisor, or Show Superintendent. Youth animals must occupy those designated pens or stalls until released, on Sunday, August 7, at 7:00 a.m.

A. All stalls and pens must be cleaned before 9:00 a.m. each day and refuse matter disposed of properly in fair designated locations.

B. **ALL ANIMALS MUST REMAIN IN ASSIGNED STALLS/PENS BETWEEN THE HOURS OF 9:00 A.M. AND 6:30 P.M. DAILY**, except during exercising, washing, grooming, and showing.

ANIMAL BEDDING:

27. A. First Bedding of wood shavings will be provided by the Fair. It will be the sole responsibility of the exhibitor to secure additional bedding. Exhibitors may use straw for the dairy cattle stalls and breeding sheep pens. In the Beef Barn, no hay or straw to be used as bedding; wood shavings may be used in all barns.

B. Replacement/freshening wood shavings may be available. There will be a limit per individual per day.

If additional bedding is needed, beyond the established dates and times, please support those businesses who supply shavings in the area. Please do not waste bedding materials.

ANIMAL CARE AT FAIR:

28. While at the fair grounds, exhibitors are expected to care for and feed their animals, maintain clean stalls and walkways. Properly exhibit their livestock, to the best advantage of both the exhibitor and the animal, at all times. Do not tie any animal with its head pulled abnormally high.

STALL PEN SIGNS

29. Stall signs will be provided by the fair and are expected to be properly filled out, put in place upon arrival and maintained by the exhibitor for the duration of the fair.

This is a part of Herdsmanship scoring for all exhibitors.

EXHIBITORS EXPECTATIONS:**YOUTH LIVESTOCK SHOW CODE OF ETHICS:**

A. Youth Livestock Exhibitors are expected to care for, groom and show their own animals while at the Fremont County Fair. Individual consideration will be given for extenuating circumstances, by written request and approval of the Fair Board.

- B. No exhibitor may show a market animal which has been previously sold at another fair, Junior Livestock Show Sale, or auction as a market animal.
- C. Direct criticism or interference of the judge, show management, other exhibitors, or show officials before, during or after the fair, is prohibited and may have severe consequences as determined by the Fair Board.
- D. While at the fair, the exhibitor shall notify the barn/show superintendent if their animal becomes sick. The barn/show superintendent shall be notified before any medication, oral or injectable is administered.
- E. Abusive or inhumane treatment of any animal will not be allowed while handling, fitting or showing, or at any time during the Fremont County Fair. Striking an animal to cause swelling or for bracing purposes is not allowed, and the use of electrical devices will not be permitted and will be grounds for dismissal.
- F. All animals that will enter the food chain shall be free of all residue and foreign substance. Treatment of an animal internally or externally with any irritant, or other substances used to change the conformation or appearance of an animal is prohibited. The use of tranquilizers, sedatives, or depressants which alter the physical or physiological state of the animal is prohibited. Injections or insertion of any foreign material under the skin and/or into the flesh of any animal is prohibited.
- G. The abnormal balancing of breeding animal's udders is prohibited.
- H. All animals are expected to be kept clean and provided with an adequate nutritional diet with plenty of clean, fresh water for their stay at the County Fair. Drenching as a method to source nutrition for an animal is prohibited. Only in the case of a licensed veterinarian prescribing an animal health need to utilize drenching is allowed.
- I. Any animal sold at the Junior Livestock Sale shall be the same animal delivered to the buyer, live or processed. Exhibitors shall be reminded that a sale of any animal at the Junior Livestock Sale, is a binding contract of sale, and therefore prosecutable by breach of contract. Delivering an animal to your buyer live or processed, which was not the animal purchased would fall under breach of contract. Prior arrangements are to be made with the buyer (i.e. if the animal purchased dies before an animal is transferred and the buyer agrees to a replacement animal, live or processed, rather than compensation).

FITTING AND SHOWING YOUR ANIMALS:

- 30. Exhibitors are to do your own work. Accept only advice and support from others. This is your project, to benefit and learn from. Value this "opportunity and privilege to show off your efforts".
- 31. Exhibitors must be able to control their livestock for weigh-in and showing; otherwise animals will be disqualified and must be removed from the fair grounds. Members must accompany and exhibit their own live-

- stock. In cases of two animals in the same class, another Fremont County 4-H or FFA member may show one of the animals. While in the show ring, the person showing the animal must do so without aid. All adults, except those appointed to be in the show ring, must remain away from the animals, unless helping to secure a loose or runaway animal. In "Showmanship" classes you must exhibit your own animal.
32. Any violation of the following policies will result in immediate disqualification of the exhibitor in the Youth Show. Further forfeiture of awards, future privileges and disciplinary action may be taken by the Fair Board.
 - A. No artificial color, paint, powders or color additives are allowed on animals.
 - B. No use of any grooming material on an entry that when rubbed with a glove or cloth, shows evidence of artificial color.
 - C. No use of any artificial tail head, tail fin, artificial poll; adding any hair or hair-like substance to any part of the body is prohibited. No showing of livestock of any ineligible age or showing unethically fitted livestock. Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal's body, or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.
 - D. The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Animals are to be shown in their natural conformation.
 - E. The dying, or artificial changing of existing color pattern and/or color is prohibited.
 - F. FITTING – A 4-H or FFA member is expected to fit their own animals at fair. If additional support is needed, only regularly enrolled Fremont County 4-H or FFA members are allowed to assist; the exhibitor must still perform the work.
 - G. ASSISTANCE – any assistance given to a 4-H or FFA member should be a learning experience for the member. A teacher or adult leader is only allowed to show and teach a member a fitting or showing technique or skill on the animal prior to the show. However, the exhibitor is expected to perform the majority of the technique or skill required.
 33. While showing or selling animals, the exhibitor shall always appear neat and well groomed. Use good sportsmanship, showmanship, and character; be honest and adhere to rules and ethics herein stated.
 34. Dress Code:

Allowed: Collared shirts (cap sleeve, short sleeve or long sleeve - no sleeveless). Shirts that button up to the neck, polo shirts.

Not Allowed: T-shirts, tank tops, halter tops, tubetops. No Mid-riffs (Stomachs) showing. NO shorts. No sandals.

You will be asked to leave the show ring or sale ring if you do not adhere to the dress code. No exceptions. RELEASE FROM THE FAIR:

35. All livestock exhibits will be released on Sunday, August 7, at 8:00 a.m. **No early release unless for extenuating circumstances.** with a request in writing, from the Fair Board with Board approval in advance. Assigned pens or stalls are to be cleaned before leaving the fair and approved as acceptable, by the species superintendent. A fine of \$20.00 per pen shall be levied for assigned pens/stalls not cleaned properly.

ENFORCEMENT OF RULES:

36. If an Infraction of the Rules occurs, please notify:

First – The species/building Superintendent

Second – Fair Board Member(s)

Third – The Fair Director

Each report of rules violation will be reviewed by the Fair Board and appropriate action will be taken. Punishments range from a board review to loss of privilege to show at the Fremont County Fair for the future and violation maybe reported to law enforcement. If the matter is not resolved to your satisfaction, you may file a grievance/protest under protocol defined as follows:

PROTESTS & GRIEVANCE

All formal protests or grievances must be submitted in writing, be properly signed and accompanied by \$50 cash or certified check (refundable only if protest or grievance is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the Fair Director immediately after the occasion for protest or grievance. A protest pertaining to eligibility is most suitable when submitted prior to judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit supporting evidence. A decision may be withheld until a complete investigation can be made. No complaint or appeal that an official fair judge overlooked an entry will be considered. If no fault is found in the case of a grievance or protest, the \$50 shall be forfeited. In the case a grievance or protest is filed against any specific party and no fault is found, the \$50 will be forfeited to the party against whom the grievance or protest is found. If the protest or grievance does not involve a specific party and no fault is found, the \$50 will be forfeited to the Fair Board to be deposited in the general fund for awards and will be used to off set operational expenses of awards for the youth program.

37. The Fremont County Fair Board reserves the right to test any animal officially entered in any division for foreign substances including drugs, chemicals, or feed additives. As a prior condition to accepting any entry, an entry form signed by the exhibitor, their parent or legal guardian grants the Fremont County Fair permission to test the entry.

THE FREMONT COUNTY FAIR BOARD RESERVES THE FINAL RIGHT TO INTERPRET THESE RULES AND REGULATIONS AND THEIR DECISION WILL BE FINAL.

IMPORTANT INFORMATION FOR THE 2016 COUNTY FAIR!

As your 2016 beef superintendents we would like to update all beef exhibitors on changes to the beef show/program; and reiterate some of the rules.

ARRIVAL FOR FAIR

- Your beef superintendents will be at the fairgrounds Saturday, July 30; between 10 am and 5 pm for exhibitors to bring in tack for their animals, if you choose to do so.
- Official arrival of animals is Sunday, July 31; from 6 am to 12 noon.
- Please note, absolutely NO tack or animals prior to or outside of the times listed above. Any tack placed outside of the times listed will be subject to being removed / confiscated by the superintendents or fair staff.
- Your superintendents will try very hard to make sure there is room for everyone during fair.

BEDDING

- The fair will provide the first bedding for your beef animal's stalls. Any bedding needed after that is to be provided by the exhibitor.
- All tie-out bedding will be the exhibitor's responsibility.

BARN MEETING

- There will be a beef barn meeting just prior to beef weigh-in, Monday, August 1, please watch for the posting of meeting time in the beef barn.

BEEF JACKPOT

- There will be a beef jackpot show during the 2016 county fair. Classes available for market and breeding beef (with an entry fee). The jackpot will be held on Tuesday, August 2 at 2 pm.

There will be more detailed information available as fair time approaches.

BEEF FITTING RULES

- Please be familiar with the rules in the fair book for fitting your animal. We realize that some exhibitors are going to need some assistance when clipping their animal at fair; but with this we stand firm that it has to be a teaching experience, with the exhibitor doing the majority of the work.
- Due to the numbers of cattle in the barn, all fitting chutes will be located outside the barn. No fitting chutes will be allowed in the barn.

Thank you for selecting a beef project and for your hard work. We are excited to see you at fair!

Bryan Warner and Tami Marshall,
Beef Superintendents

YOUTH HORSE SHOW RULES

1. Exhibitors are to review and abide by all Youth Live-stock Rules in this competition guide.
2. Equine Animal Health Requirements are to be met by each exhibitor. Any horse suspected of ill health may not be allowed on the fairgrounds or may be immediately dismissed from the fairgrounds.
3. Youth Horse Show Halter and Performance Classes are open only to qualified Fremont County 4-H/FFA members.
4. All policies of the current Wyoming Youth Horse Rule Book, distributed by UW Cooperative Extension, apply unless superseded by specific rules in this guide. Exhibitors are to be familiar with this rule book and this guide.
5. **Family Owned Horse:** The family owned horse is defined as one horse that can be shown by multiple members of the direct family (only siblings, no cousins, etc.) Each member must be certified and endorsed to compete on that horse. The horse will be allowed to be shown/run once per youth age category (Jr., Intermediate and Sr.) in each of the horse show events (i.e. showmanship, performance classes, stock classes and timed/speed events).
6. Unsportsmanlike conduct will not be tolerated and the offending exhibitor will forfeit all awards and/or premiums and may immediately be dismissed from fairgrounds.
7. Horse stalls are limited on grounds. Stalls will not be available prior to 6:00 pm, Thursday, July 21, 2016. Horse exhibitors who would like a horse stall must turn in a stall application to their community leader. Those exhibitors who must travel a long distance will be given first priority to stall horses on grounds during the show. Stall assignments will be made by the Horse Show Superintendent. Stalls are to be vacated by Sunday, July 24 (unless prior arrangements have been made in writing and confirmed with the horse show superintendent). Stalls are to be striped clean upon departure. A fee of \$20.00 will be charged for stalls not stripped clean.
8. There will be NO STALLIONS allowed in the Youth Horse Show.
9. A) 4-H SAFETY CERTIFICATION IS REQUIRED FOR EACH HORSE THAT A 4-H MEMBER PLANS TO COMPETE WITH IN THE 2016 STATE FAIR YOUTH HORSE SHOW.
B) VERIFICATION OF COMPLETION OF THE FFA SAFETY TEST IS REQUIRED FOR AN FFA MEMBER TO PARTICIPATE IN THE 2016 STATE FAIR YOUTH HORSE SHOW.
C) WORKING COW HORSE ENTRIES SHOULD HAVE COMPLETED SOME TRAINING IN THIS CLASS (A, B AND C MUST BE VERIFIED BY 4-H EDUCATOR OR FFA ADVISOR).
10. Halter classes will be judged on the American System and ribbons will be awarded. Breed Champions may be selected, but there will be no overall champion selected.
11. No more than 25 entrants, at one time, will be allowed to show in any showmanship or performance classes.

12. In halter classes, no more than two horses in a class may be exhibited by any single exhibitor. Only one entry per class may be made in a performance class.
13. Exhibitors must be able to control their horses on the grounds at all times.
14. Any protest must be lodged at the time of the infraction. Disqualification in the ring will be made prior to class placement. The superintendent will be responsible for rule enforcement.
15. 4-H and FFA members competing in this division must certify that they have owned or leased their horses by no later than May 1, 2016.
16. Halter classes: In reference to horse's age, its birthday should be considered as being January 1 of the year in which it was born, and it then becomes a year old on January 1 of the year following its birth. For example: A foal born any time in 2015 will be a yearling on January 1, 2016. If born anytime in 2012 it will be a four year old, on January 1, 2016.
17. All quality animals in halter classes are eligible to show at the Wyoming State Fair. All horses entered in Halter and Performance Classes at the State Fair must be the same horse the exhibitor showed at the County Fair.
18. The class title "Any Other Breed" is for purebred horses of specific breeding other than those named. For example: A quarter horse-thoroughbred cross should be entered in the breed class the horse most resembles, not "Any Other Breed". It is the exhibitor's responsibility to present cross-bred or questionable animals to the Show Committee for a visual appraisal and a decision before the horse is shown.
19. Please refer to the patterns in the current Wyoming Junior Horse Show Rule Book.
20. Classes may be combined the day of the show at the discretion of show management.
21. Halter classes will show as posted on show day.
22. **Safety Guidelines:**
 - A. The safety of youth exhibitor and their horses must be kept foremost in mind of all participants in this horse show.
 - B. All horse safety rules, regulations, and guidelines shall be adhered to at all times. Due to space and time limitations, all of the safety expectations cannot be listed within this publication. However, a few of the basic and most important safety expectations are listed below.
 1. 4-H members must complete the safety part of the 4-H Horse Levels Program before they can participate in the Youth Horse Show at the Wyoming State Fair. FFA members must pass the FFA Safety Test before they can participate in the Youth Horse Show at the Wyoming State Fair.
 2. Safety helmets certified by the American Society for Testing and Material and the Safety Equipment Institute (ASTM/SEI) are mandatory for all English events that require a club member to be mounted on a horse.
 3. Safety helmets (ASTM/SEI certified) are recommended for all Western events that require a club member to be mounted on a horse.

4. Safety helmets (ASTM/SEI certified) are highly recommended for all speed events and classes that involve stock animals such as Working Cow Horse, Cattle Boxing, Team Sorting, or Roping Events.
5. Heeled boots are required anytime a club member is mounted on a horse. This helps prevent an exhibitor's foot from sliding through a stirrup and getting caught. Smooth sole boots are required anytime a club member is mounted on a horse. This helps prevent an exhibitor's foot from getting caught/hung up in the stirrup.
6. Bareback riding is not permitted.
7. In halter classes or any other time an exhibitor is working around a horse, he or she shall stay in the safety zones and the lead rope shall not be dropped.
8. Running, loud playing, and other similar activities are not allowed near horses, especially at a show, workshop, camp, or other place that is unfamiliar to horses that are already nervous and jumpy due to unfamiliar surroundings.

23. Youth Requirements

- A. If a youth is eligible to be in Wyoming 4-H and the FFA Program, he or she is eligible for enrollment in the Wyoming Horse Project, as long as he or she complies with the guidelines of the program.
- B. A member shall be properly enrolled in the horse project.
- C. A member is expected to maintain a record on the horse project, attend the required club meetings, and actively participate in local programs.
- D. Club members are also expected to abide by the general rules and regulations of the association or associations with which they have membership. Furthermore, they are also expected to abide by the rules and regulations stated within this publication.

24. Animal Requirements

- A. The possession/ownership date for horses utilized by club members for exhibition at the Fremont County Fair and the Wyoming State Fair is May 1, of the current club year. Therefore, the regulations and guidelines stated within this publication can only be applied beginning on May 1 of each current year.
- B. These are commonly asked questions and situations concerning the ownership and possession of a horse by club members:
 - (1.) Can a horse travel to a trainer's facility and participate in a camp, clinic, or school for a short or long period of time? A horse and rider can go anywhere and participate in any activity they desire over any length of time. As long as a horse and rider are together, the educational benefit is received, and, in fact, an exhibitor will learn more from daily contact with a trainer than in any other way.
 - (2.) Are there any travel restrictions regarding a horse and exhibitor during a possession period? There are absolutely no travel restrictions for a horse or an exhibitor during this period. However, they must be together.

(3.) Can a horse be boarded at a trainer's facility? Boarding at a trainer's facility or any other facility is acceptable if a youth is doing the majority of the work. A leader or educator must satisfy his or her own mind that this is occurring.

(4.) Can a trainer be allowed to take a horse to train with very limited contact with a youth? If a trainer has a horse all of the time for the purpose of either training or boarding and a club member has limited contact with the horse, then the horse and the youth are ineligible to participate in a club activity since the educational benefits of owning a horse are not met. As stated in item "C," a youth must be doing the majority of the work for it to be an acceptable club project.

(5.) Can trainers haul horses for youth exhibitors to breed, to participate in open horse shows, or to participate in youth shows? No restrictions have been placed on the transportation of a youth owned or leased horse to and from any type of horse show or any other type of activity.

(6.) What is the policy on vacations, injuries to a horse, injuries to youth, breeding of broodmares, or other activities that might separate a horse from a youth? The intent is not to cause any inconvenience to any exhibitor or limit participation in the horse industry. Therefore, activities that are normal to a family in the horse industry are considered acceptable. However, all questions arising in relation to these types of situations should be checked out in advance with a leader or educator to assure full participation in club activities.

C. Whenever a question on horse ownership, possession, or identification arises, a club member along with a club leader or CES educator share the responsibility to provide proper documentation of ownership, possession, or identification.

D. Any infractions, as determined by the Fremont County Fair Board or County Horse Committee, will disqualify said horse during the contract year from showing or competing in any county or state club contest.

E. Ponies shall measure 58 inches or under at the withers. No exceptions are allowed. All ponies must be measured before showing. Ponies measuring more than 58 inches high, will not be allowed to show in any pony class.

F. The two associations for miniature horses (American and International) have different height requirements. As a result, the horse project will use the one with the higher height requirement as that is more inclusive for club members and the horse program. Therefore, miniature horses shall not measure greater than 34 inches at the withers. Those measuring greater than 34 inches but less than 58 inches, will be classified as a pony (see the previous item, E).

25. Showing Guidelines

A. At the Fremont County Fair Horse Show, each exhibitor may only enter one horse per performance class. However, exhibitors may enter two different horses

in halter classes. NO ADULTS ARE TO RIDE, LEAD OR GROOM HORSES AT THIS FAIR!
B. Poor sportsmanship will not be tolerated in any show. An exhibitor can be asked to forfeit premiums and may be immediately dismissed from a show, if the show committee has determined poor sportsmanship occurred.

C. A youth member is expected to fit, groom, and ride his or her own animal at all horse shows. If fitting assistance is needed, only a regularly enrolled club member is allowed to assist (not do the work) his or her fellow club member.

D. In the interest of safety, a parent, leader, or another club member may saddle, bridle, or make tack changes to a club member's horse. However, the club member must be present and assisting with this activity. Further more, any additional assistance is a violation of this rule and must be reported to the show committee before an animal enters a show ring. A decision by the show committee will be made before the animal is allowed in the ring.

E. Exhibitors who do not have their horses under suitable control shall be excused from the ring. Judges and ring officials should stress safety in a courteous manner to all exhibitors in a class.

F. A fall to the ground by a horse or by a rider is cause for disqualification. A horse is considered to have fallen when its shoulder makes contact with the ground. A rider is considered to have fallen when he or she is separated from a horse in such a way as to require remounting.

G. Imposition of a penalty for unsoundness is at the discretion of a judge or superintendent. If it is severe enough to impair the required performance, a judge can disqualify a horse and a rider, by excusing them from the show ring.

H. Barrels and poles may not be used as markers in any class except barrel racing, pole bending, stake race, and trail class.

I. Junior riders are defined as being 8-10 years old and they will not be asked to mount after a dismount.

J. Intermediate riders are defined as being 11-13 years old and they will not be asked to mount after a dismount.

K. Senior riders are defined as being 14-18 years old and they may or may not be asked to mount after a dismount.

L. No attendant shall be allowed in the ring except at the request of a judge.

26. Equipment

A. Clothing and tack should reflect a neat, clean, and well-fitted appearance. Expensive clothing and/or expensive tack are not required nor expected. Silver or fancy equipment will not count over neat, clean, well-fitted, and workmanlike equipment.

B. A ring steward and/or a judge may inspect equipment as riders enter a class, and they may allow an

exhibitor to change from unacceptable equipment to acceptable equipment.

C. A judge may also prohibit equipment deemed severe or dangerous.

D. Lack of required equipment shall be cause for disqualification.

E. Tack and Attire for Western, Speed, Cattle, and/or Roping Events:

1. **Personal Wear:** Western hat or approved safety helmet Western boots with heels (Fat Baby boots are not acceptable), long pants, and long-sleeved shirt. In speed events, cattle events, or roping events a safety helmet is highly recommended. However, if using a Western hat, a restraining method should be used.

2. **Tack:** Western stock saddle and Western bridle with curb bit used with split or romal reins. Horses 5 years of age and younger may be shown in a snaffle bit or braided rawhide, braided leather, or rope bosal with split reins. (Refer to the Wyoming manual entitled 4-H Horse Project for identification and description of curb and snaffle bits.)

3. **Holding the Reins:** When riding horses 5 years of age or younger with a snaffle bit or bosal, two hands must be used on the reins. When riding with a curb bit, a hand should be around the reins. One finger between the reins is permitted when holding split reins. With a romal, no finger is permitted between the reins, and there must be at least 16 inches of rein between the hands. "Tom Thumb" or shanked snaffles are still standard bits and are to be ridden with one hand.

4. **Optional Tack:** Spurs, chaps, raincoat, breast collar, and hobbles in riding classes.

5. **Prohibited Tack:** In all classes (except cattle or roping classes), ropes or reatas (riatas) and draw reins are prohibited. In classes other than speed events or cattle/roping events; closed roping reins, hackamore bits or mechanical hackamore, running martingales, tie-downs, nosebands, whips, bats, or quirts are prohibited. In all Western horsemanship (equitation) and trail classes, all horse boots and leg equipment are prohibited.

6. **Curb Chains:** Curb chains are permissible but must be at least 1/2 inch wide and lay flat against a horse's jaw. A flat leather strap at least one inch wide also is acceptable.

F. **Tack and Attire for English Events:**

1. Coats: Hunt coat of tweed or melton or light-weight summer jacket in conservative colors such as navy blue, dark green, gray, black, or brown are permitted.

2. Pants: Must be breeches or jodhpurs in traditional colors such as buff, khaki, canary, rust, light gray, or white.

3. Boots: High hunt boots in black or brown (rubber boots are allowed) or Jodhpur boots.

4. Hat: An approved black or brown safety helmet (ASTM/SEI certified) with a safety harness of leather or plastic permanently attached to or en-

compassing a helmet is required for all English classes. (An elastic chin strap is not allowed or acceptable.) The most recently approved safety helmets are highly recommended and much preferred over older helmets.

5. Shirt: Ratcatcher shirt with choker or stock tie for girls, button-down collar shirt and a four-in-hand tie for boys.

6. Hair: Shall be neat and contained (as in a net or braid).

7. Gloves: Optional.

8. Saddle: Acceptable saddles include all-purpose, forward-seat, or hunt seat (in the Programmed Ride a dressage saddle may also be used). These shall be used with an approved English Girth and may be used with or without padded flaps. Also, a saddle may be used with or without a pad. If a pad is used, it should be an English style and should properly fit the saddle.

9. Bridle: An English bridle with a cavesson noseband and leather browband will be used with a snaffle, kimberwicke, or pelham (with two reins) bit. A full bridle of the afore mentioned type may also be used.

27. **SAFETY:** SAFE HORSEMANSHIP GUIDELINES MUST BE FOLLOWED AT ALL TIMES DURING THE YOUTH HORSE SHOW to protect exhibitors and spectators. Unsafe practices will be prohibited (eg. riding double, riding bareback, riding with halters only, riding at a speed greater than a walk outside of arenas, etc.). All animals must be under control at all times during the Youth Horse Show. Unruly animals may be excused.

28. **ENTRY INFORMATION:** The Class Code must include Division number and Class number. **EXAMPLE:** If you are entering an Paint Mare in Class 059, your class entry would be: 1607-074 (1607 for Halter Horse Division and Class 059 for Paint Mare foaled in 2014).

Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required. Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Show Committee will be made before the animal is allowed to enter the ring.  - d. If you are showing only one animal and wish to sell it, you must consign that animal.
 - e. When to consign: You must consign your chosen animal to sell within one hour following the respective market show. For example: If you are selling your market hog, as soon as the hog show is over, you need to consign your hog with the Sale Board member or representative in the scale house. If you are thinking of selling your hog, but are showing a beef as well and might want to sell the beef instead, see the Sale Board member or representative and inform them that you may want to sell your hog immediately following the show. Inform them that you are showing a beef and may want to sell it instead. Do this for any animal you may be consigning.

5. WHEN AND WHERE EXHIBITS ARE DUE:

Refer to the Master Schedule or department for all arrival times and locations.

6. INTERVIEW JUDGING:

This is an opportunity for the exhibitor to sit down and visit with the judge while the judge evaluates their exhibits. This is a positive learning experience for the exhibitor, with parents being encouraged to accompany exhibitors. If the exhibitor is unable to attend, their exhibits will still be judged and written comments will be provided.

Interview judging is used to give 4-H youth a chance to look back at their experience critically and to encourage thinking, working harder and ultimately learning more thoroughly, than just showing or telling.

Judges should keep in mind that they want to encourage the 4-H participant. Help them find ways to make their project better by suggesting "other ways" to accomplish their goal. Try to be positive about things that were done incorrectly.

The judge will check to see that the 4-H participant has learned more than just how to make a project. They want to see evidence of the Do, Reflect, Apply!

4-H members DO their project prior to fair, but interview judging then gives them a chance to REFLECT on their project. They get to tell about what they did, how they did it, as well as, what went good or not so good, along the way. They also get to tell what they learned from their experience and how they might APPLY what they learned to shape new goals for the future.

The judge will ask questions about the project; this is not a presentation. Each member will spend approximately 10 minutes with the judge. If they cannot make the interview judging, their project will still be judged.

Here are some sample questions that may be asked:

- a. How many years have you been doing this project in 4-H?
- b. What did you think you might learn from taking this project?
- c. What did you like most about this project? What did you like least?
- d. Did anyone help you decide what your project might be?
- e. What new things did you learn?
- f. What new tools did you use that you have not used before?
- g. How do you plan to use what you made?
- h. What would you like to learn next year?
- i. What was the most difficult part of your project?
- j. What other things did you do in this project?
- k. What did you learn about yourself?
- l. What did you learn about your decision making skills?
7. Each 4-H participant will receive a placing ribbon for each project exhibited:

Blue:	First Place
Red:	Second Place
White:	Third Place
Purple:	STATE FAIR Quality (no added premium)

All Purple ribbons are considered for "Best of Show".

There will be one (1) "Best of Show" for each division: Senior, Intermediate and Junior. These usually have an award donated by individuals or by the Friends of Fair. Special ribbons are also given to the "Top 10%" in the project, which includes Best of Show.

8. STATE FAIR EXHIBITS:

- A. Release Forms: Any items qualifying for State Fair will require a release form. You must sign a release form. If you are not provided a release form at the judging table, stop by the Extension Secretary table before you leave interview judging and sign a release form.
- B. Transportation of State Fair qualifying items: Please consult the Extension Office to verify how or if your item will be transported to State Fair. Some items are too large or fragile to transport with all other entries. If this is the case, you will be responsible for arranging to transport your own qualifying exhibit to State Fair. Be sure to check with the Extension Office about your qualified exhibit. It is your responsibility to double check on whether your item has been transported. All efforts will be made to transport as many items as possible, but check on your item before you leave Fair and be sure it is being transported or arrange other options with the Extension Office.
- C. Ribbons & Awards: It is your responsibility to remove your ribbons from exhibits traveling to State Fair. Remove the ribbons on Sunday, prior to your item being taken to State Fair, if you wish to retain it. No ribbons will be left attached to any item traveling to State Fair. If you are to receive a special award for your entry, a claim card will be attached to your item. This claim card is to be turned in to the Fair Office and you must sign for your special award. Please do so Friday, or Saturday during fair, until Sunday, August 7, exhibits release until 3:00 p.m. Do not remove your entry tag! This is the only means of identifying your exhibit.

9. RETRIEVING YOUR EXHIBITS:

Any items not qualifying for State Fair may be picked up on Sunday, release day, from 9:00 a.m. – 3:00 p.m. or Monday 8:00 a.m. to 5 p.m. Please pick up all of your exhibits at these times. Any items not picked up, will be disposed of. State Fair items – (please read Rule #8B for transportation details). Items returning from State Fair may be picked up from the Extension Office starting on Monday, August 22 from 8:00 am – 12:00 noon and 1:00 pm – 4:00 pm.

10. Please review all General Rules for County Fair and review the Youth Livestock Rules if you have animal exhibits.

4- H CLOVERBUDS DEPARTMENT 18 - DIVISION 1801

HISTORY: The "Cloverbud" program was started in Fremont County in 2011 to benefit younger youth who are very interested in the 4-H educational experience.

REQUIREMENTS: Youth must be 5-7 years in age as of January 1 of the current 4-H year. In order to become a member of Cloverbuds, the children must be signed up for the project at the Fremont County Extension Office or through an established 4-H club leader. Participants are encouraged to show at least two exhibits at the Fremont County Fair in this division.

CLUBS: Cloverbuds may belong to a regular 4-H club as a Cloverbud member or they may belong only to the county Cloverbud program. They can be involved in both, depending on the preference of leaders and parents. As members of a club they may participate in most activities. The county program follows the suggested guideline of regular 4-H projects to give them a basic introduction to the format of a 4-H club and related activities.

PROJECTS: It is recommended that Cloverbuds have two (2) projects. A simplified record book is supplied for the members and assistance is provided in filling out the record in easy steps.

CLOVERBUD PROJECTS: These projects are limited only to the child's imagination! Some examples are: Cooking, Sewing, Painting, Drawing (any media) Clay, Paper Mache, Models, Bead Work, Woodwork, Tie-Dying, Bread Art, and Bugs.
