

Additional showcasing for Convention

Additional showcasing opportunities are available for stilt walkers, balloon artists, strolling acts, jugglers, magicians, clowns and other street performers outside the Chocolate Ballroom prior to the nightly banquets. This is a popular way for grounds acts to entertain and mingle with the crowds of people congregated outside the ballroom prior to (and perhaps after) different functions, such as the nightly banquets. **See below.**

The committee will review these applications and several acts will be featured each day. Having some short video clips of you "in action" on the fair or festival grounds would be most helpful in the selection process.

If you have any questions, contact Sam Zaffuto at szaffuto@penn.com or Galla Higinbotham at www.gallaanddan.com.
