Important Reminders

Deliveries, Parking and Security

- There is no designated exhibitor parking lot so plan accordingly. It is difficult to designate a lot that is optimal for all vendors due to the layout of the fairgrounds. Vendors are welcome to arrive early to restock through the loading dock or designated gate for outdoor vendors.
- RV parking is available at \$28 per day with electrical and water or \$22 self contained.
- We do not provide storage for deliveries. **Freight will not be accepted until July 31st.**
- Freight must include the company name you are exhibiting under and **booth number!** We cannot accept COD shipments.
- Fair staff will attempt to accommodate deliveries to vendor booths during fair when possible. Any shipments requiring a forklift will need to be pre-arranged through our decorator service at the prevailing equipment and labor rate (360) 624-4498.
- The loading dock is for 20 minute unloading only. Vehicles left parked at the loading dock will be towed.
- Buildings have limited overnight security during fair. Theft & loss is the responsibility of the exhibitor. If you have an item of high value, plan on taking it with you at closing.

Booth Etiquette & Restrictions

- **NO SELLING OR GIVING AWAY OF WATER ALLOWED**
- We do not allow helium balloons.
- The fair prohibits the sale of toy guns, knives and any items containing nudity.
- The fair does not allow stickers of any kind.
- Noise levels on PA systems must not interfere with neighboring booths.
- Booth location is determined at time of contract. Please do not ask to have your booth moved because you are unhappy with your location. While we know location is important, your product and merchandising are what sells!
- We do not offer exclusivity of products and services, however we will try to limit similar items within the same location.

- No boxes, racks or items of any kind are to extend into the aisle from your booth. Your product must remain within your booth space. Repeat violations of this rule may result in the items being removed and stored until the end of fair.
- Booth sidewall height cannot exceed 8' high. Vendors are required to finish the back portion that extends higher than the 3' side rail.
- Do not solicit other vendors or attendees outside your booth space.
- Use of any decorative materials in your booth must include proof of fire retardant certificate for the fire marshal.
- For indoor vendors, please plan on exiting your building within **20 minutes** after fair closing.

PLEASE REFER TO YOUR CONTRACT & VENDOR MANUAL FOR ALL INFORMATION REGARDING YOUR OBLIGATIONS AT THE CLARK COUNTY FAIR.
