Selection Process
The following is a list of considerations used when evaluating applicants for placement in the Colorado State Fair.

Commercial Exhibitors / Concessionaires
*Paperwork submitted in a timely manner
*Space availability
*Value to Fair guests
*Uniqueness of product or type of food served
*Appearance of booth/stand
*Prior experience
*References

Product Diversity
The Colorado State Fair strives to present a unique and diverse shopping experience. Although there is some duplication, we try to incorporate many new and exciting products for our Fair guests. When choosing the product you would like to sell please keep this in mind.

Product Exclusivity
Commercial exhibitors will not be granted exclusive rights to exhibit, promote, demonstrate and/or sell products or services; unless such exclusive rights were granted through a specialized contracting process - such as major sponsorships or competitive bidding. The Colorado State Fair will not become involved in a civil matter between vendors who are selling a similar product under different names or manufacturers.

*Items including but, not limited to, balloons (any size), inflatable toys, wooden guitars, wrestling masks and glow-in-the-dark novelty items are covered under a Colorado State Fair’s Novelty Agreement as exclusive items for sale by a pre-determined contractor only. These items may not be sold, used as giveaways or promotions by any commercial exhibitor, sponsor or participant in the Fair.

Product List / Menu
If an agreement is issued, only those items listed on the contract or approved menu may be sold. Any request to add or change product(s) offered for sell or change menu items must be submitted in writing and receive preapproval. Such preapproval is at the sole discretion of the Colorado State Fair.

Product Sales / Restrictions
As a safe and family-friendly event, certain items will not be considered for sale or giveaway, including but not limited to: weapons of any kind (including realistic toy guns), lasers, pornographic or drug related items, knock-offs, etc… In submitting your application, you agree that the State Fair has sole discretion to determine whether an item is considered offensive or in poor taste and to prohibit the sale or display of such items.

Sub-leasing / Booth Sharing
All exhibitors are strictly prohibited from sub-leasing, assigning or apportioning the whole or any part of their contracted space to any other business or individual.

Accounting Procedures:
We want you to have a successful and lucrative fair! Your success benefits all of us. **Only if your fee is based on a percentage of gross sales; these are the accounting procedures you will follow to tally your earnings.** These procedures are based on good accounting practices that will provide you with accurate information on which to base all your important business management decisions. Should you have any problems adhering to these procedures, or don’t understand them, please ask a staff member in the Accounting Office located in the Palace of Agriculture for more information.

Failure to comply with these financial reporting procedures will be considered a violation of the Agreement. If the violation is so severe that it must be dealt with immediately, State Fair management will be called upon to review the problem and come up with a solution. Violations will be taken into consideration when reviewing applications for future State Fairs or may result in immediate cessation of the right and privilege to do business with the Colorado State Fair.

Cash Registers

All sales must be recorded by use of an approved cash register or accounting system so that accurate records can be kept. Each cash register must have the following:

- Dual Tape/Readable tape (customer must be offered a receipt)
- Customer Display (pivot display suggested)
- Continues grand total
- Cumulative “Z” counter
- “X” Readings
- 30-day back up battery
- “Current” printed date on detail tape (if time is printed on detail tape, it needs to be “Current Colorado time”)
- Key protector
- Price Look Up (PLU) or present keys

Commission Payment Formula:

All food concessionaires and certain commercial exhibitors pay for their space by a percentage rent formula based on a Gross Sales Formula. The percentage rent as stated in your contract is applied to this amount.

\[
\text{Net Sales Total} = \frac{\text{Gross Sales receipts}}{1.074} \times \text{Sales tax}
\]

\[
\text{Net Sales total} \times \text{Commissions \%} = \text{Total Commission Due}
\]

\[
\text{Total Commission Due} – \text{Guarantee} – \text{Meal Tickets (if they apply)} = \text{Net Commission Due}
\]

“Gross Sales receipts” means all monies, paid or payable to you for sales made or services rendered at or from the premises, or from any other source related directly or indirectly to operations under the Agreement, whether collected or uncollected, whether for cash or credit, it being understood that the term “gross receipts” shall include sales tax.

Daily Sales Reports:

If you are a percentage vendor (food concessions and Rides and Games), you are required to maintain a daily record of all gross receipts derived from your operation. This record is to be available to the Colorado State Fair at any time during the Fair and for the three following years. Daily sales report forms will be provided at check-in and will also be available at the drop off location for your daily reports in the Palace of Agriculture. Daily “Z” reports will be required that give a breakdown and accounting of all sales activity for each day. Please check the status of the receipt and journal tapes prior to a “Z” out to make sure you do not lose any daily sales information due to lack of register tape. Attach the “Z” tape to the daily sales report so the Fair staff can double-check your figures. When changing journal tapes, the used tape must be kept on grounds during the entire Fair.

Turn in the previous day’s daily sales report at the Accounting Office located in the Palace of Agriculture, between
8:00 AM and 11:00 AM daily. Only complete daily sales reports will be accepted. Please allow enough time so that any questions concerning sales sheets or other issues can be addressed. We will maintain a continuous running total of your sales, which you are welcome to review at any time. Just ask at the Accounting Office.

**Paydays:**
Settlement of daily sales reports for Exhibitors/Concessionaires on a percentage will take place the last night of the Fair. Exhibitors/Concessionaries on a percentage will be required to pay on Monday September 4, 2017, 10:00pm-1:00am (appointment times will be assigned)

If a Exhibitor/Concessionaire chooses to make a deposit after the first weekend of the fair, the deposit can be made on Tuesday, August 29th, 2017 between 8:00am – Noon.

**Register Tagging:**
State Fair Auditors will check each stand/booth to record the model numbers and serial numbers for all cash registers, including backup registers. Once it is approved for use, each register will get its own register tag. Register tagging will be Monday, August 21st through Thursday, August 24th, 8AM - 5PM. Opening “Z” readings will be required at that time. Please be aware that registers cannot be used for sales until they have been tagged and the information has been recorded. If your stand opens prior to Opening Day you will need to notify the Accounting Office to make an appointment for your registers to be tagged ahead of schedule. The phone number will be provided in your check-in packet.

**Register Tapes:**
Under the Agreement, all cash register tapes documenting your sales are to be turned over to the Colorado State Fair daily. For the purpose of maintaining an accurate audit trail, all cash register tapes need to be identified by the Colorado State Fair register tag number, name of exhibit/stand, space number and date.

**Admission Credentials:**
Exhibitor or any of Exhibitor’s employees will not be admitted to the Fairgrounds without an admission ticket.

**Exhibitor Credentials:** Exhibitors will be issued strip tickets based on the value of the commercial space rented or concessionaire guarantees. Each strip includes 11 daily passes. Parking permits in the South Parking Lot and VIP parking lot will also be issued on a similar scale.

**Purchasing Credentials:** for Exhibitors and their employees only, a strip of 11 tickets will be available for purchase at $55.00. Children 4 and under are admitted free at any time. Parking permits are available for $45.00 in the South lot only. VIP parking is not available for sale.

**The Exhibitor is responsible for reporting all lost:** or stolen credentials to the Commercial Exhibits Office in the Palace of Agriculture. The fair will not replace any lost or stolen credentials.

**These credentials are for those who work at the Fair:** Any attempt on the part of the Exhibitor, their employees, agents or representatives to sell, exchange, or barter any privilege or admission credential issued by the Fair, will be sufficient cause for termination of the contract, and ejection from the Fairgrounds or jeopardize their participation in future Colorado State Fairs. However, if you leave the grounds, you will need a credential or hand stamp for re-entry.

**Commercial Exhibitors:**
Commercial Exhibitor credentials will be available (in your check-in packet) beginning Monday, Aug. 21, 2017 at 9:00 AM. Please visit the Vendor Check-In Window before setting up. (Located in the SE corner of the Ag Palace).

**Concessionaires:**
Concessionaire credentials will be available (in your move in packet) beginning August 18, 2016 at 9:00 AM in the Commercial Exhibits/Concession office.

If a spot check or spot audit turns up financial discrepancies you will be notified with a written violation. Failure to cease the discrepancies and correct them will result in a fine or other appropriate action by the Colorado State Fair management. This may include an order to discontinue operations and vacate the premises.

B

Booth Exhibit Design, Presentation and rules:
We’ve established design and presentation parameters that create a festive yet, professional atmosphere for our fairgoers. Your adherence to these guidelines is vital to the continued high-quality environment of the Colorado State Fair. Your exhibit design must match the approved application and photographs that you submitted to the Colorado State Fair. We cannot allow you to make any alterations, improvements or permanently affix any personal property to the premises. Under no circumstances are you allowed to paint, drill holes, remodel, renovate or permanently alter any area of the Fairgrounds without the approval of the Colorado State Fair.

(You cannot block your neighboring vendor with any type of display or set-up in the first 5’ of your side walls). Any exceptions must be approved by Fair management. Equipment such as carpet, tables and chairs in the booth is the responsibility of the exhibitor and must be completely removed after the Fair. All booth numbers must remain in view at all times. No part of your display may extend outside of your contracted space.

Sound Devices
All sound producing devices such as radios, televisions, microphones, stereos and public address systems are subject to the approval of the Fair and will be controlled so they do not interfere with the public or your neighboring exhibitors and concessionaires. All speakers must be in the rear of the booth or stand pointing down towards the ground and the microphone must remain at the level designated by the Fair. If interference exists or persists, the Fair reserves the right to revoke your privilege of using any sound devices at any time. Bull horns are not allowed.

All garbage, boxes, materials, coverings and non-display items must be removed, and all cleaning must be completed at least one-half hour before opening time each day. If you find an area that needs our attention, please let us know as soon as possible. Be aware that the blue bins around the fairgrounds are for recycling. **Possessory Interest Tax**

The **Colorado Supreme Court** made a decision in February 2001 stating anyone who has a lease agreement with an exempt organization (Colorado State Fair) will be taxed based on the lease amount. This tax is not the same as the tax you incur from the Colorado State Fair.
In this law, it states that if you lease a space, you are in possession of that space and will be taxed as if you owned the property. There are three factors that indicate ownership. (1) An interest that provides a revenue generating capability to the private owner independent of the government property owner; (2) the ability of the possessory interest owner to exclude others from making the same use of the interest (3) sufficient duration of the possessory interest to realize a private benefit.

A tax statement will be sent to you in January of 2018. This tax statement is your property (space) value based on the Lease of the year indicated.

If you have any questions please contact the Pueblo County Assessor’s Office at (719) 583-4418.

**Tents:**
All tents must be in good shape and look professional. All tents must be anchored or properly weighted down. Tents may be rented from Mountain View Tent Company – 303-287-4101, www.mvtents.com.
