ELECTRICAL REGULATIONS AND GENERAL INFORMATION

ATTENTION VENDOR/EXHIBITOR:

IF YOU HAVE ANY QUESTIONS OR NEED TECHNICAL ASSISTANCE WITH PLACING YOUR ORDER FOR ELECTRICAL SERVICE, PLEASE CONTACT TECHNICAL SUPPORT AT: (800) 345-3247

1. Florida State Fair Authority (FSFA) is not responsible for voltage fluctuation or power failure due to temporary conditions. For your protection you should install a surge protector on your computer(s) and electronic equipment. All electrical installations and connections must be made by an FSFA technician. FSFA will not be responsible for any damage or loss of equipment, component, computer hardware/software and or damage or injury to any person caused by the installation, connection or plugging into any electrical outlet by a person other than an FSFA technician.
2. A separate outlet/connection must be ordered for each individual location. Outlets may not be combined for multiple locations or booth spaces.
3. Rates for all connections include bringing the service to the booth/display in the most convenient manner for FSFA and does not include connecting equipment, materials (tape, adaptors, etc.) special wiring and/or labor. Normally all electrical outlets will be placed on the floor in back of booth/display. Island booth/display outlets will be brought to one (1) location at our discretion if no information is provided.
4. All equipment, including but not limited to, extension cords, cables, power strips, cube taps, DC power supplies, inverters, appliances, computers, electronic devices, and lighting fixtures, regardless of the source of power, must comply with Federal, State and local codes, FSFA reserves the right to inspect all electrical devices and connections to guarantee compliance with codes.
5. FSFA reserves the sole right to refuse electrical connections where the vendor/exhibitor wiring outlined above is not in accordance with the National Electrical Code (NEC).
6. Standard wall and other permanent building utility outlets or sockets are not part of booth space and may not be used by vendors/exhibitors. A separate outlet must be ordered at regular price for each location to be connected.
7. All extension cords, cables, power strips, cube taps, dc power supplies, inverters, appliances, computers, electronic devices, and lighting fixtures, must be properly wired and tagged with complete information. All equipment must have either, an U.L. and/or CTL certifications, and, the type of current, voltage, phase, cycle, horsepower, etc.
8. All vendor/exhibitor's cords must be sized to the piece of equipment being serviced with grounds. All exposed non-current carrying metal parts of fixed equipment which are liable to be energized could be required to be grounded.
9. All material and equipment furnished by FSFA for the service order is furnished on a rental basis, remains the property of the FSFA and shall be removed ONLY by FSFA technicians. Price also includes necessary disposable supplies.
10. FSFA technicians are authorized to cut floor coverings when essential for installation of service unless otherwise indicated.
11. Claims for adjustments will not be considered unless the claim(s) is submitted in writing by the vendor/exhibitor prior to the close of the event. The claim(s) must be verified by an FSFA technician prior to close of event.
12. Changes made to vendor/exhibitor electrical service after the initial order is installed will be made at the vendor/exhibitors expense. These changes will be executed on a first come, first serve basis. The charges for new installation will be based on the "Regular" prices, not including any labor and or material charges incurred if the original install or subsequent install/location is deemed "custom" by FSFA technicians. These changes in pricing will be presented to the vendor/exhibitor in writing for approval before any new installations will be made.
13. Credit will not be given for electrical service installed as ordered on the Electrical Service Order Form and not used.
14. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collections, or to file a lien, or foreclosure, or otherwise, vendor/exhibitor will pay FSFA its attorney fees and/or applicable agency fees.
15. An interest charge of 1.5 % per month will be assessed on any unpaid balances starting 30 days after the date of invoice until balance is paid in full.
16. Vendor/exhibitor holds FSFA harmless for any and all losses of power beyond FSFA's control including but not limited to losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, acts of God, faulty vendor/exhibitor equipment or overloads caused by vendor/exhibitor.
17. FSFA will be responsible for:
 - All under carpet distribution of electrical wiring.
 - All motor and equipment hook-ups requiring hardwire connections
18. In the interest of public safety, exhibits in the convention facilities may be inspected to determine if any violations exists. If they are found, qualified electricians may be available to determine if the problem can be corrected without creating a safety hazard. This work will be performed on a time and material basis. If the vendor/exhibitor does not wish to have the fault corrected, electrical service to the offending booth will not be connected. If a vendor/exhibitor is not informed of or does not understand basic safety standards for electrical wiring, an electrician should be consulted. Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember this point:
 - All wiring must have a 3 wire grounded line cord sized to the piece of equipment being serviced.
19. Electricity will be turned on within 30 minutes of show openings and turned off within 30 minutes after the closing.
20. Additional service charges and labor charged may be assessed for installations. Payment must be rendered in FULL when billed during the event. Service may be interrupted if payment is not received.
21. A \$20.00 service charge will be assessed for all returned checks and credit cards per instance or each time the check/charge is rejected.
