Tips for an enjoyable harvesting

- Call ahead for availability, hours and pricing
- Respect farm property & follow any instructions
- Bring plenty of containers
- Please keep children under control
- Leave pets at home
- Wear "grubbies" & sturdy shoes for U-pick
- Enjoy yourself and the farming experience

Grays Harbor County Farms

Grays Harbor County's fertile land and mild climate provide the perfect growing environment for many crops. There are currently over 550 farms in the county, totaling 119,440 acres, and utilizing about 4 percent of the county's 1,902 square miles of land. (Over 61 percent of the county's land is in forest.)

The 30 growers shown on this map will sell product directly to you. We hope that you enjoy your visit to their facilities and that you enjoy their fine products.
