

## LVE Employee Spotlight

### Monique McLemore, Executive Assistant

Born in Fontana, Calif., Monique moved to a small farm town in northwest Oregon when she was six-months old. Growing up, Monique lived on seven-acres of land where her family raised various livestock. During her high school days, Monique stayed busy playing volleyball, basketball and softball. As a freshman, she was brought in as the starting pitcher for the varsity team and spent most of her summers traveling statewide for softball tournaments, while also maintaining a 4.0 GPA and was a member of the

National Honor Society. In her senior

year she was offered a softball scholarship at Willamette University in Salem, Ore. where she continued playing as a pitcher.

In 2003, Monique moved to Las Vegas where she worked as an accountant for companies such as Re/MAX Central, Pulte Homes and Design Craftsman. In 2009 she accepted an offer to work at the Light Group as Andrew Sasson's personal accountant, where she eventually was pulled over to become Andrew's full-time executive assistant. After three years at the Light Group, Monique took a job with Barrett-Jackson and moved to Scottsdale, Arizona to be closer to her beloved niece. In July 2013, Monique missed the bright lights

of Las Vegas and moved back when she accepted the executive assistant position at Las Vegas Events. Over the past year and a half at LVE, Monique not only enjoys the role of being Pat's executive assistant, but also enjoys the challenge of overseeing and managing all IT issues for the company and finding ways to digitally enhance the office.

When not working, Monique enjoys staying active through various activities such as hiking, bike riding, snowboarding, DIY home projects and photography. Monique met her husband in 2008 while snowboarding with a group of friends in Brian Head where he suffered a severe snowboarding accident.

They married in 2009 and enjoy spending time with their two labs, Sam and Valentine, and her stepdaughter, Ally. Life is about to get even more exciting for Monique and Jason, as they are expecting twins come May! [Parenting advice, nanny references and daycare recommendations are strongly encouraged!]
