# Welcome TO FOUNTAIN HILLS

## THE FOUNTAIN

At its full height of 560 feet, the Fountain in the center of Fountain Hills is higher than the Washington Monument. It is 10 feet taller than Notre Dame Cathedral, 110 feet higher than the Great Pyramid of Cheops in Egypt and three times as high as Old Faithful in Yellowstone Park. The Fountain is the focal point for community celebrations and the pride of its residents. If you happen to visit during the St. Patrick's Day celebration, you'll see the Fountain transform to bright green. The Fountain is extended to its full height on some occasions, for everyday viewing the Fountain reaches a height of 330 feet!

## AREA *Landmarks*

**SURROUNDED  
BY DESERT  
HILLS AND  
MOUNTAINS**

### **MT. MCDOWELL – FIREROCK**

One of the most prominent landmarks near Fountain Hills and Fort McDowell is the jagged outline of Red Mountain, at 2,830 feet high. The deep cleft on its western flank is known as “Gunsight” because of its resemblance to the narrow slot in a fort used for firing at attackers. Its distinctive red color that glows dramatically in the last rays of day, lead some to call it FireRock.

### **FOUR PEAKS – PURPLE MOUNTAIN MAJESTY**

The lyrics “purple mountain majesty” could have been written for these peaks. They change with the light from lavender to violet to deep purple. Fittingly, the world’s finest amethyst is found high on its slopes. This mountain is one of

the area’s highest points at 7,657 feet. Visitors and residents have grandstand seats for the daily spectacle of the sun rising dramatically behind Four Peaks.

### **MCDOWELL**

Some of the oldest rocks in Arizona make up the McDowell Mountain Range to the west. The range’s highest is McDowell Peak, at 4,034 feet. The rounded mountain to the south is Fire Necklace Mountain, named when a fire burned down its slopes, encircling it. Indians found shelter here, as evidenced by petroglyphs and artifacts. Prospectors sought mineral wealth but discovered only limited amounts of gold, silver and copper.

### PARKS AND RECREATION

Jump from sprinkler to sprinkler in our splash pad, or spread out your blanket for a movie in the park for family friendly fun! The Town of Fountain Hills has been described as one of the most pet friendly towns in the valley; bring your furry friends to Desert Vista Dog Park and play the day away!

### MCDOWELL MOUNTAIN REGIONAL PARK

McDowell Mountain Regional Park has over 50 miles of hiking, mountain biking and horseback riding trails through beautiful desert scenery. This 21,099-acre regional park is located four miles north of Fountain Hills. For mountain bikers, the competitive track has three loop tracks; a long loop – 8.2 miles, a sport loop – 3.0 miles, and a technical loop – 2.9 miles. A pump track has been added to the Competitive Track trailhead. This twisting combination of table tops, rollers and banked turns is a great way to improve weight shifting and bike handling skills. For campers, McDowell Mountain Park has 76 individual sites for tent or RV camping. The developed sites accommodate up to a 45-foot RV. Restrooms offer flush toilets and showers.
